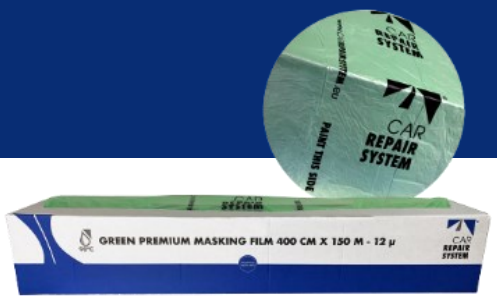
GREEN PREMIUM MASKING FILM 400CM X 150M 12 µ

REF: 2001-001584



EN **TECHNICAL DATA SHEET**

DESCRIPTION

Plastic film of 4 metre wide and 12 micron for rapid masking of car bodies, especially suitable for masking vehicles with humidity.

- Specially treated to guarantee the adherence of the paint spray, preventing the introduction of dust and paint spray.
- Resistant to temperature cycles up to 120ºC.
- It does not leave stains on the bodywork as it does not generate calcifications due to humidity.
- Time saving compared to the use of masking paper.

For professional use only.
