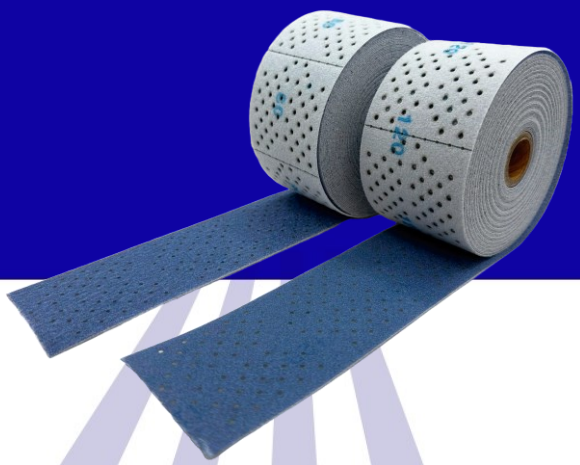
CERAMIC SHEET ROLL
PRECUT MULTI HL
70MM X 12M



TECHNICAL DATA SHEET

DESCRIPTION

Ceramic Sandpaper Roll with Velcro system, combining premium ceramic grains with the best plastic film technology for quick cutting and increased profitability.

The multiple-hole pattern efficiently extracts dust, ensuring a cleaner and more comfortable working environment. The roll is perforated into sections for easy cutting and to fit various sizes of equipment available in the market.

For professional use only.

FEATURES

- Excellent cutting performance and durability thanks to the new ceramic technology.
- Increased profitability.
- Perfect sanding surface.
- Specially designed for sanding putties and fillers.
- For manual or machine sanding..
